

# Core Humanitarian Standard Review Consultation Session

The Core Humanitarian Standard (CHS) helps us assess the quality of our programmes and projects as well as improve the way we work. It helps make sure aid agencies are accountable to the people they are Working to help.

The CHS is undergoing review. We are inviting practitioners to give feedback. By sharing our learning and experiences, we can work together to shape one of the universal humanitarian standards.

**Date: Tuesday, 29th November, 2022**  
**Venue: Holiday Inn , Harare, Zimbabwe**  
**Time: 1230h – 1400h CAT**
